**Mission Sunday**

Pope Francis' message to celebrate World Mission Day 2023, explores the disciples' story on the road to Emmaus (Lk 24:13-35). Have you experienced a time in life when you felt perplexed, puzzled, or dismayed? Then, something happened to dispel those feelings and your heart lifted. That's how it was for the two disciples; confused and grief-stricken, as they walked from Jerusalem to Emmaus. Jesus approached them, spoke to them and they had a life-changing experience. This October, school, parish and family communities celebrate World Mission Sunday. The Church invites each community to reflect on Pope Francis' message, inspired by the disciples' story (Lk 24:13-35). The Church celebrates World Mission Day, firstly, to offer God's people an opportunity to renew their commitment to proclaim the Gospel and secondly, to give pastoral activities a greater missionary perspective. Another goal is to seek finance to advance evangelisation in mission territories.
