**Reflection:** As we celebrate St. Patrick's Day, our thoughts turn to those who have emigrated from our shores. We remember and pray for all Irish people overseas- those who are recently departed and those who left our shores many years ago. We ask you to remember in a special way those emigrants whose journey has been a difficult one and may need that extra bit of help and support. In addition to practical assistance, emigrants need spiritual and emotional support. We remember those who work tirelessly to assist Irish emigrants of all generations, particularly the Irish chaplaincies in the United States and the U.K. We also pray those who have been touched by the sense of loss that comes with a loved one emigrating, that they will find strength and comfort as they cope with the pain of separation.

**A Prayer for Emigrants:** Bless all those who have left our country and now live in other lands. Give them a strong faith so that they will always put their trust in you and make you known by the example of their lives. Console those who are lonely because they are separated from those they love. Help all missionaries who are working far from home to make your love known. Bless our people overseas who are sick or in prison. We pray for foreigners living in our country that they may experience our hospitality. Grant your eternal welcome to our emigrants who have died and to all the dead. Amen
