Reflection: Religious Holidays

An atheist once complained to a friend, "Christians have their special holidays, such as Christmas and Easter; and Jews celebrate their holidays, such as Passover and Yom Kippur; Muslims too have their holidays. Every religion has its holidays. "But we atheists" he said, "have no recognised national holidays of any kind." His friend replied, "well why don't you start by celebrating April 1st!!!

I Will Seek Beauty All My Days

Within the dark chaos of a troubled world, I will seek and find some Beauteous Thing.

From eyes grown dim with weeping; will shine a light to guide me,
and in Sorrow's Hour, I shall behold a great High Courage.

I shall find the wonder of an infinitive Patience; and a quiet Faith in coming Joy and Peace.
And love will I seek in the midst of Discord, and find swift eager hands out-stretched in welcome.
I will seek beauty all my days; and in my quest, I shall not be dismayed.

I shall find God.
